

# Panel Review of XXX

October 2, 2019

## Five Review Elements:

The following elements should be considered in the review for both criteria:

1. What is the potential for the proposed activity to:
  - (a) advance knowledge and understanding within its own field or across different fields (Intellectual Merit); and
  - (b) benefit society or advance desired societal outcomes (Broader Impacts)?
2. To what extent do the proposed activities suggest and explore creative, original, or potentially transformative concepts?
3. Is the plan for carrying out the proposed activities well-reasoned, well-organized, and based on a sound rationale? Does the plan incorporate a mechanism to assess success?
4. How well qualified is the individual, team, or institution to conduct the proposed activities?
5. Are there adequate resources available to the PI (either at the home institution or through collaborations) to carry out the proposed activities?

## Purpose of Proposal:

As a panel, draft a paragraph or two describing what work is proposed to be done.

## Intellectual Merit

In the context of the five review points given above, please provide a summary of the intellectual merit of the proposal, as agreed upon by the panel.

## **Broader Impacts**

In the context of the five review points given above, please provide a summary of the broader impacts of the proposal, as agreed upon by the panel.

## **Recap of main points**

An opportunity to summarize the main IM and BI items above, and to note potential disagreements between panel members.
